

## CLASSROOM LAW PROJECT is looking for a REGIONAL PROGRAM MANAGER – SOUTHERN OREGON

*The best way to preserve democracy is to teach democracy.*

*Classroom Law Project is a nonprofit organization of individuals, educators, lawyers, and community leaders who work with Oregon's schools and teachers to prepare our youth to become active, engaged, and informed participants in democratic society. We provide evidence-based programs that bring both teachers and students together with civic leaders, attorneys, judges, law enforcement, and policymakers to provide K-12 students with hands-on experiences that demonstrate how our legal system and government work. During the 2020-21 school year, we provided engaging professional development opportunities to 900 teachers and a wide range of challenging, fun, and experience-based programs to more than 110,000 students. We are a dedicated, passionate, collaborative, and caring team of civic-minded individuals, working with an amazing network of more than 600 volunteers across the state to extend our reach and impact to a growing number of teachers and students.*

*We have begun expanding the Classroom Law Project organization to more effectively increase the reach of our programs across the state, and are seeking an on-site Regional Program Manager for Southern Oregon to join our team and help make that vision a reality.
